Re: *United States v. Gina Mestre*, 23 Cr. 418 (DLC)

Dear Judge Cote:

The parties write jointly to update the Court regarding the status of the parties' discussions about a possible pretrial resolution and to respectfully request an extension of the deadline for the filing of motions *in limine* and motions pursuant to Rule 404(b). The parties can report that plea discussions have progressed to the point where a framework for a possible plea is in place. Defense counsel will meet with the defendant next week to discuss this framework and are hopeful that a resolution will be reached. Moreover, the prosecution team's court and travel obligations, which begin tomorrow, will consume most, if not all, of next week.

In light of the above, the parties respectfully request a one-week extension of the deadline for trial related motions to November 24, 2023.

*Granted. Oppositions
to any 11/24 motions
are due 12/8/23.*

*Denise Cote
11/13/23*

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
